

JUNE 5TH - 14TH, 2025

Saposoá, Peru

We will be partnering alongside Peruvian nationals Juan and Keyla Grandez. Juan and Keyla pastor a church in the town of Saposoá and are involved in discipleship among the children and youth in their communities. Juan is a PE teacher that enjoys combining outdoor activities, sports, camps, and teaching kids about Jesus. Our team will fly from Lima to Tarapoto where they will travel by bus to the community of Saposoá.

Costs: \$1595 + airfare

The \$1595 includes on the ground costs such as food, lodging, transportation, etc. while in the country as well as travel insurance. This price does not include personal souvenirs, baggage fees, or additional snacks outside of the three meals a day that you may want. Total trip cost will be updated once airfare is purchased.

Ministry:

Our ministry will consist of a two day kid's camp located on Juan and Keyla's property, which will include sports, games, crafts, and teaching about Jesus. During the week, our team will have opportunities to do children's ministry outreach within various schools in the community. Construction projects will involve work on a missionary bungalow that will house future teams and kids camps. In addition, we will assist in putting up a fence around the church. There will be a women's health conference, preaching and evangelistic outreach in the evenings, and medical outreach. This will also include eyeglasses ministry.

What to expect:

Our team will stay in hotels during our time in Lima. However, while we are in Saposoá, conditions will be more "primitive." Be prepared to sleep in tents on Juan's property for the first 2-3 nights. Showers and bathrooms will be available. We will stay in a hotel the remaining nights in Saposoá. I will give you more information on that in the coming meetings and how to best prepare! Food will be prepared safely by trusted cooks that have been hired by Juan or in restaurants that are deemed safe to eat by our partners. Our days will start very early with devotions followed by various ministry opportunities. Expect long ministry days and to end each day with team time to debrief.
